

Flagler County Schools

Extended Day

This innovative Before and After School Program gives K-6 grade children an environment to balance learning and recreation through participation in a wide variety of fun experiences. From physical activities to homework help, our enrichment program is designed so everyone goes home happy.

The program opens at 6:45am and runs until daily classes begin, resuming again after school and ending at 6:00pm. For additional information on this proudly sponsored program call Flagler County Schools Community Education at 386-446-6717.
