**FUN GAME FOR ALL**

My name is **Edyta Wituszynska**.

I am originally from Poland, where I both, learned as well played tennis recreationally.

I studied at the Academy of Physical Education in Krakow as a PE teacher and sports coach (trainer).

My dream was always to teach/coach sports, especially to children.

I came to the United States in 1992 and advanced my dream by working with children and continued to improve my tennis skills.

Over the last 10 years I have been playing competitively through numerous local and USTA leagues, as well as social recreational tennis.

My fondness for working with children and my love for the game, makes me very dedicated and passionate tennis instructor. I have the ability to teach children tennis combining warmth, patience, encouragement and support with an enthusiastic, energetic and fun approach.

**I am PTR Certified Instructor  
with 6 years of coaching experience.**

**I am also USTA Local Youth Play Coordinator  
for Volusia and Flagler counties.**

My other interests include working out, swimming, snow skiing, dancing, live music, and travel. My daughter Julia has been playing tennis since she was 5 years old, and she was playing #1 doubles on her High School varsity team.
